Message

It's an immense pleasure and profound gratitude that, I pen this letter to extend my heartfelt compliments to the dedicated team of S.T.C College, Banhatti, for the resounding success of the One Day National Seminar held on 16th October, 2025.

As the Chairman of the JSS Sangha's, it is a matter of great pride to witness and I extend my heartfelt best wishes to the organizing committee, resource persons, and participants for making this academic endeavor a grand success. May this seminar ignite new aspirations and contribute to the realization of the great dream "Viksit Bharat @2047"

Our institution is deeply committed to nurturing intellectual curiosity and national consciousness among students and scholars. Through this seminar, we aim to encourage academic dialogue, discourse, research exploration and policy insights that can guide India's path toward holistic development. The discussions and presentations here will highlight the importance of education, technology, entrepreneurship, environmental awareness and social harmony, the true pillars of a developed nation.

On behalf of the Board of Directors and the entire JSS family, I appreciate the exceptional leadership and the collaborative spirit of your team. Your efforts have contributed to our mission of promoting intellectual exchange and societal impact. With warm gratitude.

Date: 16-10-2025

Shri. B.M. Jadagoud

MESSAGE FROM BOARD OF DIRECTORS

We extend my warm wishes to the organizing committee for their dedicated reports and to all the participants for their enthusiastic involvement. May this academic endeavor pave the way for new insights, innovative re-search and a renewed spirit of nation-building.

This visionary initiative aims to inspire intellectual minds through innovation, meaningful dialogue and collaborative research across the nation.

Your meticulous preparation and inspiring vision have paved the way for enriching discussions and the fruitful exchange of ideas and perspectives.

We deeply appreciate the sincere efforts of the organizing committee, teaching and non-teaching staff members and students who worked with passion and purpose to make this event truly memorable. With warm gratitude.

ABOUT THE JANATA SHIKSHAN SANGHA

Janata Shikshan Sangha, an educational Institute, was established way back in 1929 by great educationist and philanthropist late Shri Tammanappa Chikodi. The seeds of education were sown when an “Anglo -Vernacular” school was started in 1935 in Banhatti. Since then, the Sangha is striving hard to impart quality education to the rural students at an affordable cost.

ABOUT STC ARTS & COMMERCE COLLEGE, BANAHATTI

About five decades back, there was no college in the vicinity of 80 kms offering commerce degree courses. In 1975, considering the needs of the people of Jamkhandi, Mudhol, Raibag and Athani Talukas, the management took a bold decision to start a college with a “Bachelor of Commerce” programme to begin with. The motto of late Shree Tammannappa Chikodi, founding “Father of the Sangha” was to bring higher education to door steps of the down trodden and the weaker sections of the society in general and weaver community in particular.

The Sangha started “Bachelor of Arts” programme in June 1982 to provide an opportunity to the students to pursue higher education in the field of their choice. The course provides wide options to the students. To commemorate the contribution of the Founder towards education, in the same year the college was renamed as “Shree Tammanappa Chikodi Arts and Commerce College”.

Keeping in view, ample employment opportunities in the corporate world at middle and lower-level management arouse and hence, the Sangha started “Bachelor of Business Administration” programme in 1999.

With the constantly changing educational landscape and an increase in global opportunities in the field of I.T., in 2001 “Bachelor of Computer Applications” programme was offered. This gives an opportunity to the rural students to acquire knowledge in the modern and advanced field of computer applications and computer technology. In 2008, Master of Commerce and 2014 Master of Arts in English and Bachelor of Science course were also added.

ABOUT SEMINAR

The National Seminar on Viksit Bharat@2047 seeks to envision India's transformation as it approaches the centenary of independence. The seminar explores multiple dimensions of development, weaving together heritage, democracy, economy, society, and culture in the journey towards a developed nation. Preservation and conservation of historical monuments hold significance as they embody India's cultural identity, requiring modern methods and sustainable practices to safeguard them for 2047. At the same time, the silent revolution shaped by the social movements of Bombay Karnataka serves as an inspiration for inclusive growth and regional empowerment. Strengthening democratic deepening and pursuing electoral reforms will be crucial to ensure transparency, accountability and citizen trust in India's democratic institutions. A strong federal framework, participatory governance, and decentralized planning will further enable people-centric development. The future economy will rest heavily on digitalization, startups and innovation, making India a leader in technology-driven growth, while simultaneously embracing a green economy to move steadily towards carbon neutrality. The path to 2047 must also emphasize social justice, equality, and inclusion by eliminating disparities and ensuring rights for marginalized communities. Education will continue to be the cornerstone of empowerment, driving social mobility and equipping citizens with skills for the future. Further urbanization, smart cities and regional planning will shape sustainable growth, while climate change and disaster management strategies will be vital for resilience and sustainability. Language diversity and national integration remain central to India's cultural fabric and policy vision must respect regional languages while preparing citizens for global engagement. Literature, both in Indian languages and English, will play an essential role in shaping cultural consciousness and nurturing values for nation-building. In this context, Kannada's contribution to nation-building has been profound, with its rich tradition in education, literature, and cultural identity, while contemporary Kannada writers continue to reflect social realities and open new perspectives for the future. Sports, too, emerge as a powerful instrument of transformation; by 2047, India must aim at excellence in sports while using it as a tool for youth empowerment and national integration.

OBJECTIVES

- » To highlight India's achievements and challenges in key sectors like Technology, Agriculture, Health, Industry and Governance.
- » To promote innovative research practices and learning approaches.
- » To inspire the spirit of Atmanirbhar Bharat through innovation, entrepreneurship and skilled development.
- » To promote cultural values and ethical leadership as the foundation of a prosperous and harmonious Nation.
- » To encourage Societal, Holistic and Interdisciplinary approach.

SUB-THEMES

- » Preservation and Conservation of Historical Monuments @ 2047
- » The Silent Revolution: Social Movements of Bombay Karnataka

- » Contribution of Kannada language in nation building
- » Contemporary Kannada writers and future outlook
- » India's Sports transformation for Viksit Bharat@2047
- » Sports as a tool for youth empowerment and national integration

ACKNOWLEDGEMENT

STC Arts and Commerce College was established in 1975 by the great visionary, Educationist Philanthropist, and his holiness Shri Tammanna Chikodi. Since the establishment, it has been imparting quality education to the poor, down-trodden, and underprivileged students in general and weaving community in particular.

The college was started with B. Com, later B.A, B.B.A, B.C.A, and B.Sc. courses were added along with 2 PG courses, M. Com and M.A in English. The research center of the college is affiliated to Rani Channamma University, Belagavi.

I extend my deep sense of gratitude to our Chairman Shri. B. M. Jadagoud and the entire board of directors for their constant encouragement and support which made this seminar a grand success.

My deepest appreciation goes to the Keynote Speaker Prof. Dr Prabhakar Kolikar who have enriched this seminar by their thought-provoking speech.

I thank all the paper presenters for making this seminar a grand success by their active participation.

I acknowledge the tireless efforts of the organizing committee, faculty members, non-teaching staff, technical team, and volunteers whose dedication and perseverance ensured the smooth conduct of this seminar.

I am thankful to all the sponsors, supporters, press reporters and well-wishers without whom this event would not be a successful one, My special thanks to Publisher “Aksharsurya” Peer review multilingual journal.

May this collective endeavor continue to inspire further dialogue research and collaboration.
